## PRIVACY POLICY

At FPT, we value your privacy and are committed to protecting your personal information. This Privacy Statement, provided by Funded Pro Trader, explains how your personal data is handled when you use our services. The statement covers various aspects, including the types of information collected, how the information is used, data security measures, sharing of personal information with third parties, and details about your rights regarding your personal data.

### **1. Collection of Personal Information.**

Funded Pro Trader collects personal data from you when you use their services. This includes information provided by you during account registration, order placement, participation in events or projects, or communication with customer service or via social media. The collected personal data may include your name, surname, phone number, email address, postal address, date of birth, username, password, warranty claims, and payment information. Additionally, when you use their services, certain information is automatically gathered, such as device information (e.g., IP address), website usage information (e.g., time and date of visit, country of access), and service usage information (e.g., login/logout details, account settings, trading data).

### **2. Use of Personal Information:**

Funded Pro Trader uses the information you provide for various purposes. This includes creating a user account and providing services, exercising contractual rights and responsibilities, marketing our products and services, analysing customer behaviour, and improving our services. The legal justifications for processing personal data may vary depending on the specific purpose, such as fulfilling a contract, legitimate interests, or obtaining consent.

### **3. Data Security:**

Funded Pro Trader implements organisational and technical measures to safeguard the personal data they collect and store. This includes encryption, access controls, and protection against unauthorised access, modification, disclosure, or destruction of data.

### **4. Sharing of Personal Information:**

Personal information may be shared with third parties to deliver services, such as trading platform providers, website and service providers, cloud service providers, payment system operators, financial institutions, support providers, and postal service providers. Funded Pro Trader ensures that these recipients are contractually obligated to protect the information and use it only as instructed by Funded Pro Trader. However, third-party controllers may process personal data according to their own privacy policies.

## **5. International Organizations and Third Countries:**

Funded Pro Trader may transfer your personal data to international organisations or third countries for the purposes described in the Privacy Statement. Such transfers will be conducted in compliance with applicable data protection laws and safeguards.

## **6. Exercising Your Rights:**

To exercise your rights, including accessing your personal data, correcting inaccuracies, requesting deletion, limiting data processing, objecting to processing, withdrawing consent, or filing a complaint, you can send a request to [support@fundedprotrader.com](mailto:support@fundedprotrader.com). You have the right to be informed about the processing of your personal data and the right to lodge a complaint with the relevant supervisory authority.

## **7. Unsolicited Advertising**

Safeguarding your privacy and fostering a secure online environment are paramount to our commitment. As part of our unwavering dedication to providing you with a seamless and respectful experience, we uphold a strict stance against unsolicited advertising in any form. Therefore, we explicitly and unequivocally prohibit the dissemination of unsolicited messages to promote this website. This principle is upheld not only by us but also by any entities or individuals acting on our behalf.

It's important to us that your interactions with Funded Pro Trader are characterised by your choice and your preferences. By refraining from unsolicited advertising, we aim to respect your autonomy and create an environment where you feel valued and protected.

This commitment extends beyond our direct actions. We hold any third-party associates or partners, who may have access to your information for legitimate business purposes, to the same high standards. These partners are bound by contract and agreement to uphold your privacy rights and to ensure that they do not engage in or facilitate any form of unsolicited advertising.

If you have any inquiries or concerns about our Policy or any related matters, please don't hesitate to get in touch with us. Your trust and satisfaction are paramount, and we're here to provide you with a secure, respectful, and enriched experience.
